**Payment of Account**

Payment of account is due on receipt of the monthly statement. Applicant agrees to pay the account when due. Applicant agrees that the Club may assess a late charge for past-due accounts as provided in the Bylaws, as amended from time to time. Payments on delinquent accounts apply first to reduce late charges and accrued dues, next to food and beverage charges, then to any other charges. Dues and other charges are considered luxuries under all applicable laws. Applicant further agrees to maintain a current credit card account in the Applicant’s name on file with the Club at all times. In the event that the Applicant’s account is more than thirty (30) days past due, Club shall have the right to bill such past-due amounts to Applicant’s credit card. Payments on all delinquent accounts apply first to reduce late charges and accrued dues, then to any other charges. Applicant agrees to pay all reasonable attorney’s fees, investigator fees, and costs in the event this amount is turned over for collection.

Applicant agrees that payment of all charges to the Applicant’s account, made in accordance with the Brown Golf Agreement, shall be due and owing on the   18th   of the month following the month in which the charges are incurred. Applicant agrees that payment of all said monthly charges shall be charged against the card listed below under “Credit/Debit Card Payment Authorization”, on the monthly due date, unless valid payment is made for such charges by check prior to the monthly due date. Valid payment by check shall be considered delivery by Applicant and receipt by Brown Golf of a check upon which sufficient funds may be drawn to satisfy the monthly charges then due and owing. By signing below, Applicant hereby authorizes Brown Golf to charge the credit/debit account provided below on in this Application. Applicant further agrees that in the event he/she fails to pay said monthly charges when due, for whatever reason, by the end on the calendar month in which the monthly charges have been billed, the Applicant’s account will become delinquent. Applicant agrees that in the event the Applicant’s account becomes delinquent, he/she shall pay, in addition to the delinquent monthly charges, a penalty equal to five (5%) percent of the total delinquent monthly charges until paid.

If membership is accepted, I agree to abide by all rules and regulations now in effect for Dolphin Head Golf Club any additional amendments which may be made from time to time. I agree to be responsible for the charges incurred by myself or my family during our membership. I understand that my signature authorizes the clubs to charge the credit card listed above pursuant to the payment on account information set forth above in this agreement. I understand that membership is a 12-month financial commitment that automatically renews at the conclusion of my initial 12-month commitment. I also understand that if and when I wish to resign, I must submit a written 60-day notice for resignation from the club. This resignation notice may only occur and become effective after my 12-month commitment has passed.
